

◆ Student App Manual ◆

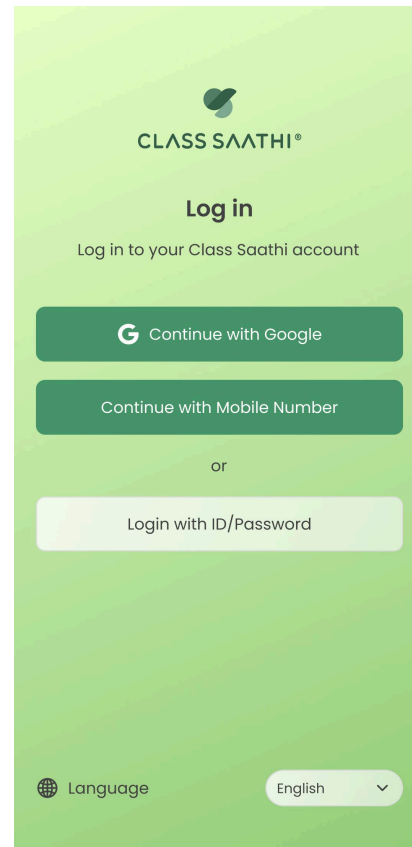

01 Download and Installation

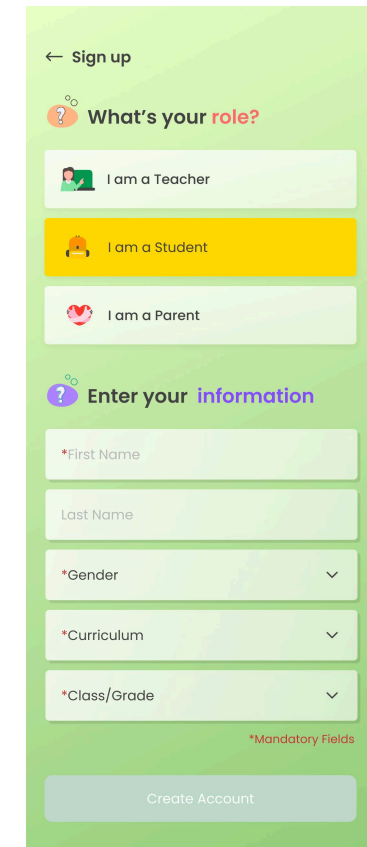

1

Download the Class Saathi app from Google Play Store, App Store, or Microsoft Store

2

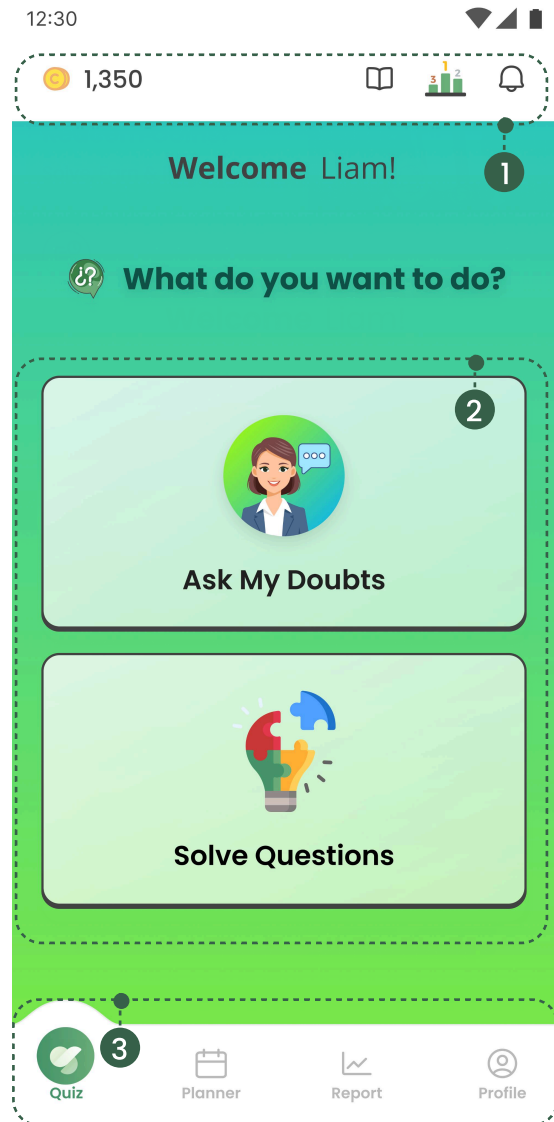

Open the app and proceed to log in, use 'Login with ID/Password' if your school has given you a Saathi ID

3

If you logged in using a method other than ID/Password, please proceed with role selection

02 Main Page

1 Top Bar

Coins: Earn rewards by completing quizzes

Resource: Access class notes and past papers

Leaderboard: Check your ranking in the Saathi app

Notification: Get alerts for assignments and new resources

2 Saathi Tutor & Solve Questions

Ask Your Doubts: Use your personalized Saathi Tutor to clear your doubts (Pro Tip: Click a picture of your question and watch the magic happen!)

Solve Questions: Practice questions on any topic, powered by AI

3 Bottom Bar

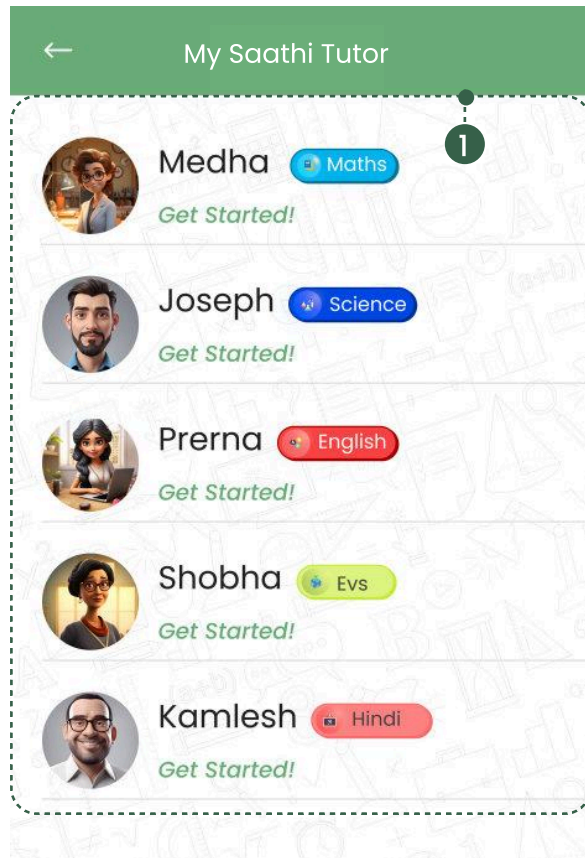

Quiz: Access quizzes, ask doubts, and play

Planner: View assignment schedules or set personal study plans

Report: View quiz performance data

Profile: Customize app settings and preferences

03 Ask Your Doubts

1 Saathi Tutor

AI-Powered Assistance: We built Saathi Tutor — a smart tutor that truly understands you. It doesn't just give answers — it talks to you, guides you, and adapts to your learning style.

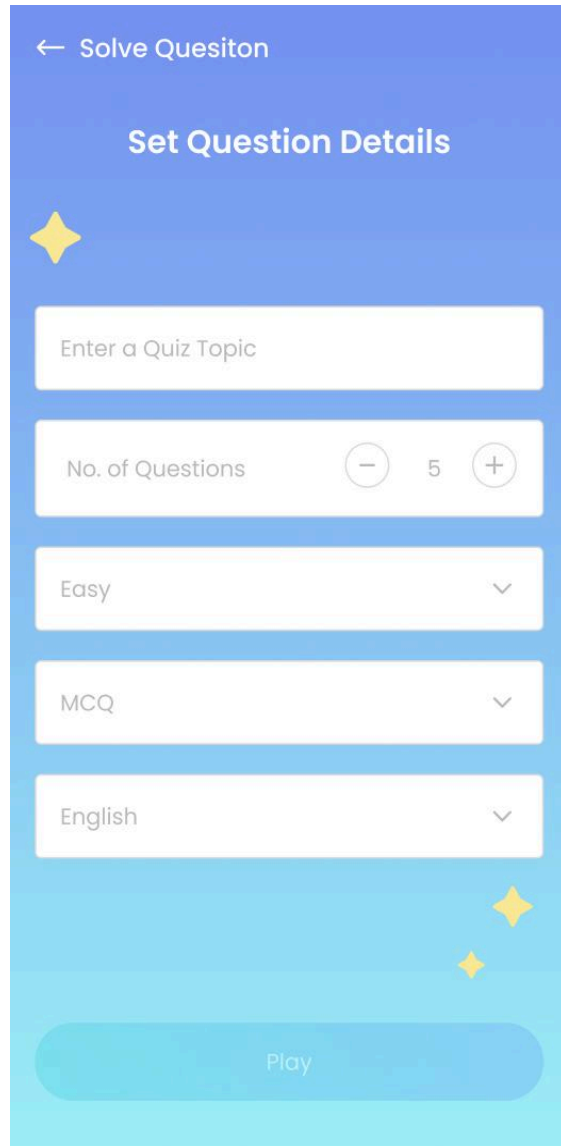

Stuck on a concept? Saathi Tutor explains it in a way that makes sense to you.

Just take a photo of the problem you're struggling with, and Saathi Tutor will guide you through it step by step.

This isn't just another chatbot — it's your personal AI-powered tutor.

And the best part? It's completely FREE!
