1 Your AI Tutors

AI-Powered Assistance: We built Saathi Tutor — a smart tutor that truly understands you. It doesn't just give answers — it talks to you, guides you, and adapts to your learning style.

Stuck on a concept? Saathi Tutor explains it in a way that makes sense to you.

Just take a photo of the problem you're struggling with, and Saathi Tutor will guide you through it step by step.

This isn't just another chatbot — it's your personal AI-powered tutor.

And the best part? It's completely FREE!

1 Overall

View your overall performance average and streak consistency.

2 Subject Comparison

Compare your performance across different subjects to identify strengths and areas for improvement.

3 Progress Timeline

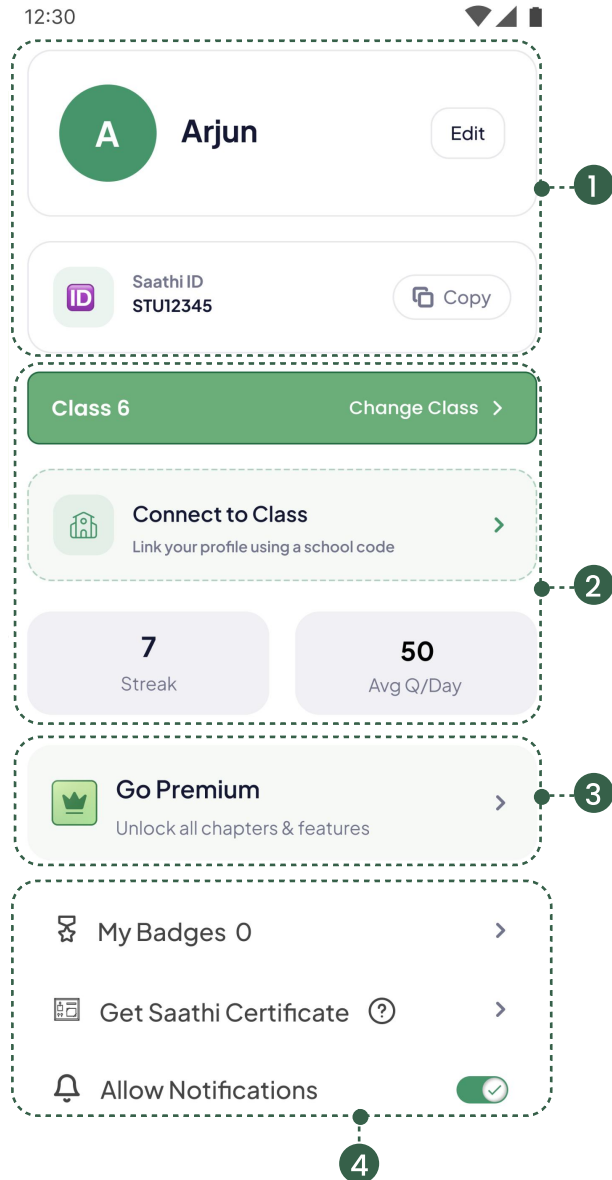

Track your performance and growth over time to see how your progress is improving.

4 Peer Comparison

Compare your performance with the class average and see how you rank among your peers.

5 Engagement & Discipline

Track your study streak and consistency to build better learning habits.

1 Student Details and ID

View and manage your profile details and Saathi ID.

2 Connect to Class

Link your profile to a class using the class code.

3 Unlock Premium Features

Unlock additional chapters and features with Premium.

4 General Settings

Manage notifications, badges, certificates, and other settings.
